

Pseudo Code

This is the Pseudo Code for my self-portrait for project 1:

```
Create canvas 640x 480
Set background to blue

DO

    Draw portrait

        Draw Hair
        Draw Face
        Draw Ears
        Draw Left Earring
        Draw Right Earring
        Draw Hair Over Face
        Draw Nose
        Draw Mouth
        Draw Eyeshadow
        Draw Eyebrows
        Draw Eyes
        Draw Eyeballs
        Draw Shirt
        Draw Neck
        Draw Hair Detailing

DECISION

    Has mouse been clicked?

        IF
            Yes, change shirt colour to yellow
        ELSE
            No, Keep shirt colour as pink

LOOP
```
